October 4, 2017

Dear Captain:

Seacoast Enterprises Associates, Inc. (SEA) wants you to enjoy your vessel and boating on the beautiful waters of Three Mile Harbor, East Hampton, and Long Island's East End.

SEA offers you three facilities for winter storage. We offer inside or outside storage for vessels to 40-tons in the boat yards at Three Mile Harbor Marina and Harbor Marina and we offer wet storage at Gardiner's Marina. SEA's two Service Departments deliver high quality work through the combined talents of a year-round staff and select East End subcontractors. Our SEA team consists of factory trained and certified and technicians in engine dealerships such as Mercury Mercruiser, Volvo Penta, Yanmar, Cummins Onan, Westerbeke, Universal, Yamaha, and Suzuki. Gas or diesel engine repowers or manifold and riser maintenance can take advantage of our 'Gold' standing with Mercury Mercruiser for better prices and warranty coverage. SEA is also polished on detailing, varnish and finish work to keep your vessel looking its best. Sail cleaning and repairs, rigging or canvas repairs are speedily arranged.

Forms for dry or wet Storage forms are available online at **SEAincorp.com** and will be emailed to you upon request. 2018 Marina slip and dry rack space rentals are also available online. Call us for assistance with your forms 8:00 am – 5:00 pm, seven days a week through mid-October & Monday to Friday year-round.

WINTER 'HAUL STORAGE & LAUNCH' RATES

| | |
|----------------------------|---------------------------------------|
