September 23, 2017

Dear Captain:

The staff of Seacoast Enterprises Associates, Inc. (SEA) hopes you continue to enjoy your vessel on the beautiful waters of East Hampton and Long Island's East End.

SEA offers you three facilities for winter storage. Choose inside or outside storage for vessels to 40-Tons in the boat yards at Three Mile Harbor Marina and Harbor Marina or wet storage at Gardiner's Marina. SEA's two Service Departments deliver high quality work through the combined talents of a year-round staff and selected East End subcontractors. The SEA team consists of factory trained and certified and technicians in engine dealerships, including Yanmar, Mercury / Mercruiser, Volvo Penta, Cummins / Onan, Yamaha, Suzuki, Westerbeke, Universal, and Dometic-Sealand. Vessels needing gas or diesel engine repowers can take advantage of the "Gold" dealership standing with Mercury/Mercruiser for better prices and warranty coverage. SEA is also polished on detailing, varnish and finish work to keep your vessel looking its best. Sail cleaning, rigging and sail or canvas repairs are speedily arranged.

Semi-Annual Winter Dry or Wet Storage forms are available online at **SEAincorp.com** and will be emailed to you upon request. Annual forms for marina slip holders are also available. Call us for assistance with your forms 8:00a.m.-5:00p.m., seven days a week through mid-October & Monday to Friday year-round.

WINTER "HAUL STORAGE & LAUNCH" RATES
